Bus Schedule & Fares

Bustang Outrider Information

Introducing Colorado's newest rural regional bus line, Bustang Outrider. It connects Colorado with a single, easy-to-navigate service. Saddle up and get there stress-free.

www.RideBustang.com

 Bustang Outrider buses are wheelchair accessible.

Service animals are allowed on Bustang Outrider buses. Part 37.3 of US Code Title 49 Subpart G defines a service animal as “any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items.”

The operator can remove or exclude the animal if a direct threat to the health or safety of others, if not housebroken, or if out of control and individual/handler does not take effective action. Control = have harness, leash, or other tether. Be under voice control, signal or other means when handler is unable because of a disability to use tether, or the tether’s use would interfere with the animal’s safe, effective performance.

Emotional Support Animals are NOT service animals, but are allowed on Bustang Outrider buses on a limited basis (see website FAQ). Pets not allowed.
